

# Camera Equipment

# Random Thoughts

- Read Camera Manual...loaded with information you need to know
- Best time to Photograph .....Just after sunrise for about 3 hours and 3 hours before sunset...Both are known as the **Golden Hours**
- Shoot, shoot and shoot some more....take a walk up your street in early morning, mid-day and before sunset and shoot same subjects....see the different camera settings and what the light does to subject
- If on a tour, let everyone out of bus first....see where they all go and you go somewhere else
